

# If Northern Wairoa has been good to you, how could you be good to Northern Wairoa?

Northland Foundation is a charitable trust set up to provide a simple, effective and long lasting way for individuals, families and organisations to leave legacies or create funds to support local causes and to ensure these gifts will achieve maximum and enduring benefits for the community. Northland Foundation works in all areas of the region and is delighted to be able to offer a special fund for the direct benefit of Northern Wairoa. Gifts and legacies are invested wisely, the capital is retained and only the interest is used to create ongoing grants.

We help ordinary people make an extraordinary difference for Northland by raising funds from donations and legacies

We grow these funds through our careful investment policy, retaining the capital and generating income

We use the income from the investments to make grants to the local organisations and charities you choose

## What is the Northern Wairoa Fund?

The Northern Wairoa Fund is a sub-fund of Northland Foundation which encourages donations, legacies and bequests from individuals, organisations and businesses in the local who want to contribute towards a permanent legacy for the long term benefit of Northern Wairoa. This legacy would allow grants to be made to local organisations, groups and charities according to the donor's wishes. Such a fund takes local giving and utilises it for local needs. Forever.

**Anyone can contribute. Donations, gifts, bequests and endowments of all sizes are encouraged and welcomed.**

Northern Wairoa representatives will work with Northland Foundation trustees to advise on any distribution of grants from the Fund. All contribution will be pooled with others, increasing their effectiveness. The more quickly funds grow the faster the Northern Wairoa Fund will be able to make distributions available.
